

RACE RULES & INSTRUCTIONS

DINGHY RACE RULES

US Sailing rules shall prevail except as follows:

1. A USCG approved life jacket shall be worn at all times.
2. Any class with three or more starters in all days of a series will be scored as a separate class.
3. Any contestant winning a complete series in Laser B when all races have had four or more starters is not eligible for future Laser B events unless ruled to the contrary by the dinghy race committee.
4. 4. Scoring will be high point, i.e.: one point for starting, one point for finishing and one point for each boat beaten. A withdrawal counts one point while a disqualification counts zero points.
5. If nine or more races are held in any one series, one race will be thrown out.
6. Requirements for protest flags and written notice are waived.
