

ABOUT BOATING SAFELY

UNITED STATES COAST GUARD AUXILIARY

Flotilla 48-North Kitsap

This is an eight-hour introductory course for the new boater, those thinking of buying a boat and for those boaters that need the Boater's Education Card. A wide range of topics are covered to help all boaters, experienced or inexperienced, to become safer and more knowledgeable. This course meets the mandatory boater education requirements of the State of Washington for the Boater Education Card.

TOPICS INCLUDE:

Boat types/characteristics/sail/power	Aids to Navigation & Chart reading
Safety equipment	Anchoring/Docking
Trailer Your Boat	Boating worries & concerns
Boat Engines	Mooring your boat
Navigating Puget Sound	Favorite Mariner's Knots
Situational Awareness	Risk Management

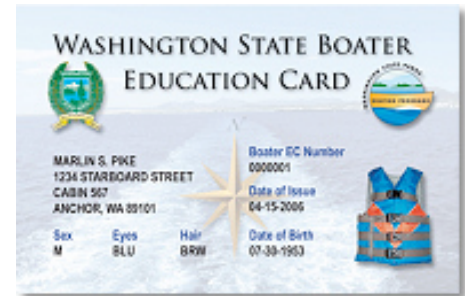

AND MUCH MORE !!!!!!! PLUS IT IS FUN

This course is sanctioned by the United States Coast Guard and the State of Washington. Instructors are members of the United States Coast Guard Auxiliary. Successful completion of this course will, in most cases, result in reduced boat insurance rates and allows you to become eligible for the State of Washington Mandatory Boater Education Card.
