Hold Harmless Agreement**

**I state that my child is a proficient swimmer who has demonstrated the ability to swim and conduct him/herself safely in around water activities. I am aware that sailing is a potentially dangerous sport that may result in serious injury or worse.**

**I, \_\_\_\_\_, voluntarily assume all risks for my child, \_\_\_\_\_, when using Port Madison Yacht Club docks, boats and other facilities and I agree to Hold Harmless and Indemnify against and any and all losses including injury or death and/or claims, incidents thereto, the Port Madison Yacht Club including the PMYC officers and board, its Sail School and instructors, and all its members.**

**Also, we would like to note that once PMYC Sail School or sail camps are done for the day your child is your responsibility. Your child needs your permission to swim or sail more once they are dismissed for day.**
