Port Madison Treasure Hunt Back-story

Local pirates have discovered a map with the approximate locations of Spanish treasure hidden by Juan Perez in the 1774 along the shores of Port Madison. Each location is reported to have Gold & Silver BiteCoins. A wholly unregulated exchange will be set up in the Crow's Nest allowing pirates to trade said BiteCoins at fair market value for sugar laden baked treasure.

Rules

- Pirate skipper meeting 2015-06-13-T- 1: 00 Pacific from the Crow's Nest (aka PMYC)
- Starting Gun 2015-06-13-T- 2:15-Pacific from the Crow's Nest (aka PMYC)
- Pirates will rig their own vessel to search for hidden treasure across Port Madison
- Clues to Treasure Locations and Map provided prestart
- Pirate vessels will fly a black pennant from their sprit (will be provided)
- No motors will be used
- 1 paddle or Oar allowed per boat and paddling encouraged if it makes them go fast
- Privateers with a letter of marque will be patrolling the surrounding waters looking to commandeer boats incorrectly secured to a dock while pirates are searching inland for treasure.
- Privateers will be sailing V-15's or any water craft and flying a red pennant
